TASK 1

Read the article about Sean Murphy. Say if the statements below the text are TRUE, FALSE or NOT STATED (if there isn't enough information in the text to answer True or False).

SEAN MURPHY

Sean Murphy reads the late news on British television at 11 o'clock each evening. 'This is a very good time for a news programme because we can report the early news from America and the late news from Europe. I still arrive home before midnight because the journey from the Television Centre to my home in North London only takes six minutes. My family are asleep when I get in, but I usually make a drink of hot milk and read a book for about an hour.

'I always get up to have breakfast with my three children before they catch the school bus. Then I take the newspapers and go back to bed for a short time. Later on, I go for a swim – newsreaders spend too much time sitting down! I sometimes go running. I've done the London Marathon twice. That's a race of over 40 kilometres. I finished each time, but I wasn't among the first!

'I start work after lunch at two o'clock, when I go to my office. The rest of the day is spent planning the programme, but I always try to go home for an hour to see my children before they go to bed.'

Gulliver's Travels

My father had a small house in Nottinghamshire. I was the third of five sons. When I was seventeen years old, I was sent to Mr. James Bates, a well-known doctor in London, with whom I worked and studied for four years.

When I left Mr. Bates, I began to work as a ship doctor on the Swallow.

(11)_____ After that I decided to stay in London. I bought a part of a small house and married Miss Mary Burton. But life in London was not easy. (12)_____. I spoke to my wife and some of my friends, and decided to become a ship doctor again.

I agreed to go with Captain William Prichard, who was making a voyage to the South Seas on board the Antelope. We started from Bristol on the 4th of May, 1699. (13)_____. But when we were sailing across the Indian Ocean, a terrible storm began which carried our ship to the east for many days. Twelve of our sailors died of hard work and bad food, the others were ill. On the 5th of November which was the beginning of summer in those parts, our ship struck a rock. (14)_____ I cannot tell what became of my companions, and of those sailors who remained on the ship and on the rock, but I think that they were all drowned. I swam where the wind and the waves carried me.

I was very tired, but just when I could swim no more, I felt the bottom with my feet. (15)_____ I walked a little inland, but didn't see any houses or people. I lay on the grass, which was very short and soft, and slept more than nine hours.

- **B.** I sailed for three years and a half on that ship and made voyages to the Mediterranean Sea and some other parts of the world.
- **C.** I walked nearly a mile in the water before I got to the shore.
- **D.** For a long time the weather was fine.
